1. 提高效率

- 1) 少时
- 2) 少错

2. 促进人际

- 1) 交流
- 2) 帮助

以貌取人

1. 反映品质

1) 努力

例题: We can learn a lot about a person from the type of friends one person has.

朋友反映一个人的努力程度

A person's friends can demonstrate whether he is diligent. To be more specific, people who highlight hard work and assiduity tend to befriend those possessing the identical and similar virtue, since hardly do they like lazy or unmotivated people; on the other hand, whether a person is industrious cannot be indicated by other factors.

2) 开朗

例题: We can learn a lot about a person from the type of friends one person has.

朋友反映一个人开朗程度

A person's friend circle can show another character of him, sociability. In detail, it is commonly seen that a group of energetic and active adolescents will gather together, and chat over diverse topics ranging from politics to celebrities, leaving an introvert person aside and alone; however, the ability to socialize with others cannot be overtly indicated by other elements.

2. 反映职业

1) 商业

例题: We can learn a lot about a person from the type of friends one person has.

朋友反映这个人是否是商人

Friends around function as essential clues to judge whether a person is a businessman. To explain it further, since an entrepreneur's life is generally occupied by his profession, he mainly develops social relationships with his subordinates, clients and partners from other companies, who are strong indicators of his occupation; however, hardly can others judge whether he is a businessman from other aspects.

2) 艺术

例题: We can learn a lot about a person from the type of friends one person has.

朋友反映这个人是否是艺人

In addition, judging from a person's friends, others can make a conclusion about whether he is in entertainment industry. Specifically, a person's friends, such as movie makers, prestigious stars and officials in film industries, strongly indicate that this person is in the field of art or perhaps he is a director himself; in contrast, how can others quickly define one's occupation from other factors?
